

# THE PRIDE OF DROMOD TOWN

Here comes Peter Morahan  
The pride of Dromod town  
And if you call to see him  
He is sure to stand a round.  
CHORUS: Fill 'em up, fill 'em up  
Fill 'em up 'round Dromod Town.

If e'er you're feeling tipsy  
Or perhaps you're feeling slack  
A glass of special whiskey  
you can have from Mary Mac. CHORUS

If ever you are tired  
Or perhaps you want a car  
You will find accommodation  
At Mc Kiernan's whiskey bar. CHORUS

If a pair of boots you're wanting  
I will tell you where to go  
For all the finest quality  
is sold by Annie Crow. CHORUS

She sells tea and snuff, tobacco  
And has everything you need.  
For all her finest quality  
Is safely guaranteed. CHORUS

If you require a blacksmith  
Just call down the Shannon lane.  
Or if you want to go abroad  
You can get the Midland train. CHORUS

And if you want a motor car  
On Diffley you can call  
Or visit the Post Office  
Miss McGlynn will serve you all. CHORUS

Ah, Dromod is a lovely spot  
Down by the Shannon shore.  
You'll have to write a verse yourself  
If you want any more. CHORUS
